

Dealing with Bed Bugs

Dealing with Bed Bugs

For information on how to minimize the risk of bed bugs and how to deal with pests should you discover them, check out the videos and tip sheets found on the Region's Public Health website at <http://chd.region.waterloo.on.ca/en/healthyLivingHealthProtection/bedbugs.asp>.

Information on the website is included under the following headings:

- Prevent
- Identify
- Act
- Resources (including information on tenant's rights)
